## For a native sport fish to be considered for the Native Fish-Slam Program the following must apply:

1. **Fish must be taken legally from Nevada waters. Review current regulations regarding harvest of fish.**
2. **A photograph of the fish must be provided.** (All photos and stories submitted may be used in NDOW publications, agency website, social media, and will become property of NDOW.)
3. There is no time limit for completing the Native Fish-Slam Program, but **an entry form must be submitted within 60 days of a fish being caught** (NDOW will maintain angler records).
4. No weight or length measurements are required to enter this program.
5. A certificate and custom hat will be awarded once all species of fish have been entered.
6. An angler may complete additional, consecutive Native Fish-Slams; however, fish for a succeeding slam cannot be caught and entered within one month after the preceding slam is finished and awarded. The same rules apply for entering into subsequent Native Fish-Slams. Only a certificate will be awarded for additional Native Fish-Slams.
7. Anglers are also encouraged to submit fish into the Nevada Trophy Fish Program if it meets the minimum weight qualification. (A separate Nevada Trophy Fish entry form must be completed.)
8. NDOW has the right to accept/reject/disqualify any entry form submitted. All decisions made by the NDOW Trophy Fish Committee (Fisheries Chief, Regional Fisheries Supervisor, and Staff Sport Fish Coordinator) are final.
