LCB File No. R015-24

March 11, 2024

EXPLANATION – Matter in *italics* is new; matter in brackets ~~[omitted material]~~ is material to be omitted.

AUTHORITY: §§ 1 and 2, NRS 501.105, 501.181, 502.140, 502.160, and section 1 of Senate Bill No. 311, Chapter 444, Statutes of Nevada 2023, at page 2728.

A REGULATION relating to wildlife; establishing a process for a holder of a tag to hunt mule deer to transfer the tag to certain persons under 18 years of age under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law requires, with certain exceptions, that a person who hunts any wildlife in this State first obtain a license for such activities and, if he or she wishes to hunt certain designated big game mammals, first obtain an additional license, known as a tag. (NRS 502.010, 502.130) Under existing law, any such tag is not transferrable unless: (1) the person to whom the tag was issued can demonstrate the existence of an extenuating circumstance; or (2) the tag is transferred to an eligible qualified organization for use by a person with a disability or a life-threatening condition or a person who is 16 years of age or younger and otherwise eligible to hunt in this State (NRS 502.103, 502.104) Senate Bill No. 311 of the 2023 Legislative Session authorizes the Board of Wildlife Commissioners to adopt regulations establishing a program that allows a person to transfer his or her tag to hunt a big game mammal to any person who is less than 18 years of age. (Chapter 444, Statutes of Nevada 2023, at page 2728) **Section 1** of this regulation establishes a process by which a holder of a tag to hunt mule deer may request the transfer of the tag to a person who is at least 12 years of age but less than 18 years of age and who is otherwise eligible to hunt mule deer in this State. **Section 2** of this regulation makes a conforming change to provide that transferring a tag under **section 1** is an exception to the prohibition on the transfer of tags.

4. The Department shall return a copy of the executed affidavit submitted pursuant to subsection 3 to the original tag holder at the time the transfer of the tag has been completed.

5. If a tag is transferred to another person pursuant to this section, both the original holder of the tag and the new recipient of the tag will be treated as if he or she drew the tag with respect to any applicable waiting periods and bonus points.

6. A tag transferred pursuant to this section may not be:

(a) Returned to the Department for the restoration of bonus points under the bonus point program; or

(b) Deferred or transferred again.

7. A person who receives a tag to hunt mule deer pursuant to this section is not eligible to receive or obtain another mule deer tag in the year for which the tag was issued and must have been unsuccessful in obtaining any big game tag through the main drawing for the current hunt year.
